

Community Drug Awareness Night
October 22, 2008
7:30 p.m. – 9:00 p.m.
Fraser High School Auditorium

Drug abuse, alcohol abuse and addiction is *EVERYWHERE*, not just in Fraser, and it is affecting our young people in alarming numbers.

*Great kids, solid families, strong communities –
addiction knows no boundaries.*

Come and hear how Families Against Narcotics – FAN, in alliance with Fraser Schools, Fraser Public Safety, CARE and the Macomb County Prevention Coalition, is bringing awareness to our community. Find out what YOU can do to make a difference!

Listen to true stories from young addicts in recovery, concerned parents and public officials.

Learn the warning signs, where to turn for help, and how to **overcome the “shame” of addiction.**
It is a disease, not a choice!

See the drug paraphernalia display (beginning at 7 p.m.) and **find out** where drugs are hidden in a typical bedroom.

Open to parents, community members, and students
(Grades 6 & up) in the Metro area.

Together, no family suffers alone.
