## Rotary/(FAN) Partnership through the Rainbow Connection-Hope Not Handcuffs Backpacks

While the nation focuses on the COVID-19 pandemic, the opiate abuse epidemic rages on. In the year ending May, 2020, over 80,000 people died from drug overdoses. District 6400 Rotary Clubs and FAN are partnering to help people battling Substance Use Disorder. When many of the people with SUD seek treatment through the Hope Not Handcuffs program, they lack basic necessities. Rotary/FAN want to give each a person a backpack with some necessities. These would include any of the following:

1. Snacks like granola bars, candies, gum, etc.
2. Clean t-shirts
3. Socks and Underwear
4. Gloves
5. Hats
6. Toilet Paper
7. Toothpaste, toothbrushes, and any personal hygiene products
8. Duffel bag or backpack

If you have any questions about how you or your club can donate, please contact
