Family & Friends: An Addiction Support Group

Your family member is leading a destructive life—but that doesn't mean your life has to be destroyed as well. Stronger Together is an addiction support group for family and friends of people struggling with addiction. Participants can choose between an online discussion series or in-person meetings, both of which offer compassion, support, and healing to those who need it. It also includes a unique 12-step recovery plan that can help you move from a life of despair to a life of hope and purpose.
