Founded in 2007 and based in Macomb County, Michigan, the mission of Families Against Narcotics is to compassionately assist individuals and families affected by substance use disorder (SUD). Through our many programs--including Hope Not Handcuffs, the COMEBACK Quick Response Team, Navigate Peer & Family Recovery Coaching, and our HARM:LESS Harm Reduction Support Team--we provide a continuum of care for anybody who has been impacted by addiction, either directly or indirectly. And all of our programs are completely free of charge. Your donation will allow us to continue educating communities throughout Michigan about the disease of addiction, and help us fund our current and future initiatives. Thank you so much for your support!
