

# **STRONGER TOGETHER**

## **GENERATION NEXT**

**2nd & 4th Tuesday at 6:30 p.m.**

**Someone you care about is struggling with the use of drugs or alcohol...**

And you don't know how to help.

Stronger Together: Generation Next is a support group for young adults (ages 18 – 35) being impacted by the addiction of a parent, sibling, or friend. It follows a simple plan for learning to respond to someone's substance use in a way that is healthy and supports their recovery.

Stronger Together: Generation Next meetings are led by other young adults who have faced similar circumstances. It's a community of people willing to share their knowledge, experience, and resources. Through group discussions, you'll broaden your understanding of addiction and assess its affect on your relationships.

Allow your loved one to accept responsibility for their life while living your own life of meaning and purpose. Be part of Generation Next and a new way of supporting those you love.
